

1. Introduction

This Privacy Policy describes how WIRED Security Inc. ("we," "our," or "us") handles personal information. We are committed to protecting your privacy and ensuring the security of your personal information.

2. Information We Collect

We do not collect personal information through our website. Any personal information we possess is obtained through direct communication channels such as email, phone calls, or in-person meetings.

3. How We Use Your Information

We use the information you provide to us for the following purposes:

- To respond to your inquiries
- To provide our cybersecurity services
- For any other purposes for which you provide your information

4. Information Sharing and Disclosure

We do not sell, lease, or otherwise share personal information, except as required by law or with your explicit consent.

5. Data Security

We implement reasonable security measures to protect the information in our possession. However, we cannot guarantee the absolute security of any information transmitted to us through unsecure channels such as email or other insecure methods. We strongly advise against sending sensitive information through these channels.

6. External Links

Our communications may contain links to external websites for your convenience. We do not endorse these websites and are not responsible for their content, accuracy, or privacy practices.

7. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. We will notify you via our website of any significant changes. Your continued use of our services after such changes constitutes your acceptance of the updated Privacy Policy.

8. Your Rights and Choices

Depending on your jurisdiction, you may have certain rights regarding your personal information, such as the right to access, correct, or delete your data. To exercise these rights, please contact us.
